J and Beyond 2016 Timetable & Information

Event - J and Beyond 2016 Timetable & Information ↻

Title	J and Beyond 2016 Timetable & Information
When	Friday 20th May, 09:00 - Sunday 22nd May, 17:00

Description

What is J and Beyond (JAB)?

JAB is a convention showcasing what is next for the world's best CMS. People from all parts of the globe travel to be together, as a community family, in order to learn new things about Joomla!

JandBeyond is the conference for Joomla Developers and site integrators from around the world. Now in it's 7th year, the conference attracts approx 200-250 of the top minds in the Joomla world from more than 30 different countries.

{module JAB Program}
